Attached to this report is a list of shipments made by the
Soviet-controlled forwarding agency Juschweschtrans, Vohlichebpassage 1, "Leningrad"
to Rumania during the period 11 - 28 November 1953. Contemplated shipments, which
were not moved during the reporting period, have been listed at the end with the
date of shipment. Soviet-controlled Austrian firms involved in the shipments are
indicated by the letters USIA. The list does not necessarily include all of the
Juschweschtrans shipments to Rumania during this period but it is believed to
cover the major part of them.
